## Company's Particulars

Name: Natural Cool Airconditioning & Engineering Pte Ltd

Address: 81 Defu Lane 10, Natural Cool Building,  
Singapore 539217

Profile: Natural Cool Airconditioning & Engineering Pte Ltd is a wholly owned subsidiary of Natural Cool Holdings Limited and was incorporated in 1993. We are a major authorised dealer of leading airconditioner brands in Singapore. Our organisation has the support strength of more than 250 staff members and we are well-equipped to provide unparalleled service to our customers. Furthermore, we are in the midst of a regional expansion into countries like China, Cambodia, Vietnam and Myanmar. With the adoption of a regional-oriented outlook, we have expanded our scope of operations to better cater to our customers' every cooling need. Our product portfolio now includes a wide range of airconditioning related materials, clean-air products, and precision airconditioners.
